a. The purpose of this modification is to update contract clauses to the latest version (TFTP-MC-000874-B, Refresh #9) of the Management, Organization, and Business Improvement Services (MOBIS) Schedule. Periodic changes are necessary to update pertinent clauses that keep the Solicitation current for all Schedule 874 contractors. Clauses on pages 3 through 51 of this modification are hereby incorporated into referenced contract. These clauses replace all previous clauses.

b. **CHANGES APPLICABLE ONLY TO CONTRACTS AWARDED UNDER MOBIS REFRESH #6 (OFFERS SUBMITTED UNTIL OCT 31, 2003) AND TFTP-MC-000874-1 (OFFERS SUBMITTED UNTIL NOV 30, 2000), RESPECTIVELY.** The following clauses are considered **Significant Changes** to the contract. Instructions are given, if necessary, for the contractor to complete the on-line modification.

1. I-FSS-95 Re-Representation Of Size Status For Option Periods (Jun 2003)
2. I-FSS-163 Option To Extend The Term Of The Contract (Evergreen) (Apr 2000)

(i) **Instructions:** If the Evergreen clause is new to referenced contract, contractor is required to submit pricing or basis for price escalation (see Instructions at paragraph c below) for Option Periods 3 and 4 (contract years 11 through 20) to the Procuring Contracting Officer (PCO) upon acceptance of modification. Out-year prices are subject to negotiation and will result in a separate modification.

c. **APPLICABLE TO ALL CONTRACTS.** Contractor must select the applicable Economic Price Adjustment (EPA) clause, as determined during initial contract negotiations and award.

Note: If the two EPA clauses at c.1 or c.2 are new to referenced contract (**offers submitted until Jun 11, 2002, under TFTP-MC-000874-2**), contractor must select the applicable clause based on the instructions below:

1. 552.216-70 Economic Price Adjustment—FSS Multiple Award Schedule Contracts (Sep 1999) (Alternate I—Sep 1999)
2. I-FSS-969 Economic Price Adjustment—FSS Multiple Award Schedule (Jan 2002)

3. **Instructions:**

(i) Select c.1 if contract prices are based on a commercial price list.

(ii) Select c.2 if contract prices are based on other than a commercial price list. If c.2 is applicable, contractor must have the basis for out-year pricing included in the contract. Out-year pricing is based upon an agreed-upon price index (GSA preferred method), a negotiated percentage rate, or negotiated prices.

(iii) Contractor is required to submit pricing or basis for price escalation for contract out-years to the PCO upon acceptance of the modification. EPA basis is subject to negotiation and will result in a separate modification.

d. **APPLICABLE TO ALL CONTRACTS.** The following clauses require the contractor to **FILL-IN** information.

3. 52.215-6 Place of Performance (Oct 1997)
4. 552.216-73 Ordering Information (Sep 1999)(Alternate II-Sep 1999)
5. 552.232-82 Contractor's Remittance (Payment) Address (May 2003)

- 6. G-FSS-900-C Contact for Contract Administration (Jul 2003)(Tailored)
- 7. I-FSS-103 Scope of Contract—Worldwide (Jul 2002)
- 8. K-FSS-1 Authorized Negotiators (Mar 1998)

e. This modification does not affect negotiated prices or discounts.

f. **EXCEPTIONS.** Contractors who take exception to the mass modification must contact the PCO within 10 days after receipt. Due to the variety of clause changes (depending upon the award date of the contract) some exceptions may be granted. Exceptions will be negotiated on a case-by-case basis. **IF EXCEPTIONS ARE NEGOTIATED, THIS CONTRACT WILL NOT BE AVAILABLE ON-LINE FOR USE BY FEDERAL AGENCIES. THIS MAY PRECLUDE THE CONTRACTOR FROM OPPORTUNITIES FOR CONSIDERATION ON TASK ORDERS.**

(a) *Inspection/Acceptance.* The Contractor shall only tender for acceptance those items that conform to the requirements of this contract. The Government reserves the right to inspect or test any supplies or services that have been tendered for acceptance. The Government may require repair or replacement of nonconforming supplies or reperformance of nonconforming services at no increase in contract price. The Government must exercise its postacceptance rights (1) within a reasonable time after the defect was discovered or should have been discovered; and (2) before any substantial change occurs in the condition of the item, unless the change is due to the defect in the item.

(b) *Assignment.* The Contractor or its assignee may assign its rights to receive payment due as a result of performance of this contract to a bank, trust company, or other financing institution, including any Federal lending agency in accordance with the Assignment of Claims Act (31 U.S.C. 3727). However, when a third party makes payment (e.g., use of the Governmentwide commercial purchase card), the Contractor may not assign its rights to receive payment under this contract.

(c) *Changes.* Changes in the terms and conditions of this contract may be made only by written agreement of the parties.

(d) *Disputes.* This contract is subject to the Contract Disputes Act of 1978, as amended (41 U.S.C. 601-613). The Contractor shall proceed diligently with performance of this contract, pending final resolution of any dispute arising under the contract.

(e) *Definitions.* The clause at FAR 52.202-1, Definitions, is incorporated herein by reference.

(f) *Excusable delays.* The Contractor shall be liable for default unless nonperformance is caused by an occurrence beyond the reasonable control of the Contractor and without its fault or negligence such as, acts of God or the public enemy, acts of the Government in either its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, unusually severe weather, and delays of common carriers. The Contractor shall notify the Contracting Officer in writing as soon as it is reasonably possible after the commencement of any excusable delay, setting forth the full particulars in connection therewith, shall remedy such occurrence with all reasonable dispatch, and shall promptly give written notice to the Contracting Officer of the cessation of such occurrence. TAILORED TO INCLUDE: The contractor shall also notify the Ordering Officer in writing when set forth above when service is expected to be delayed.

Addendum to Clause 52.212-4

**MANAGEMENT, ORGANIZATIONAL AND BUSINESS IMPROVEMENT SERVICES (MOBIS)
STATEMENT OF BACKGROUND, PURPOSE, AND OBJECTIVES**

BACKGROUND

In April 1988, Executive Order 12637, Productivity Improvement for the Federal Government, called for the establishment of a government-wide program to improve the quality, timeliness and efficiency of services provided by the Federal Government. Subsequently, a Multiple Award Schedule for the implementation of Total Quality Management was established in the Federal Government. This program evolved into the MOBIS schedule of today. The current edition of the Executive Order is 13048, Improving Administrative Management in the Executive Branch. MOBIS includes programs such as the Malcolm Baldrige National Quality Award (MBNQA), the President's Award for Quality (PAQ), National Partnership for Reinvention (NPR) initiatives, the Government Performance and Results Act, and/or individual agency management plans and strategies.

PURPOSE & OBJECTIVES

This procurement will provide a full range of services and products for consulting, facilitation, survey, training, privatization support, program management, alternative dispute resolution, and related support products. This schedule is designed to allow Federal agencies to begin or continue management, organizational and business improvement efforts. Contractors shall provide MOBIS services to agencies as specified in task orders under this Federal Supply Schedule (FSS). Whether services and products are commercial off-the-shelf, customized off-the-shelf, or designed to suit, they must fit into and support the system-wide model of management excellence and performance improvement embodied efforts and programs such as the Malcolm Baldrige National Quality Award (MBNQA), the President's Award for Quality (PAQ), National Partnership for Reinvention (NPR) initiatives, the Government Performance and Results Act, and/or individual agency management plans and strategies. The objective of MOBIS is to provide all Federal agencies with access to the finest management consulting firms available in the commercial sector.

SCOPE OF WORK

The GSA is soliciting management, organizational and business improvement services and products (MOBIS) that will improve the performance, quality, timeliness and efficiency of services provided by the Federal Government.

These services will facilitate agencies' response to dynamic, evolutionary influences and mandates and will enable them to continuously improve mission performance. As these influences and mandates evolve, or are enacted, it is anticipated that the specific support provided by contractors under this schedule will evolve accordingly. These efforts should ultimately result in increased customer satisfaction and enhance the public's confidence in their Government.

Some examples of these influences and mandates are the Government Performance and Results Act; Federal Acquisition Streamlining Act, government reinvention initiatives such as improving customer service, benchmarking and streamlining; strategic sourcing; downsizing; and privatization.

GSA Schedules E-Library indicates the contractors available for MOBIS support by Special Item Number (SIN) awarded, the internet address is:

<http://www.gsaelibrary.gsa.gov/elib/eLibrary.jsp> .

When tasking under MOBIS, agencies shall not use this vehicle for the acquisition of supplies other than that integral to the task and incidental to its central role of management improvement. **The acquisition of IT is not forbidden under MOBIS, however, it must be clear that the software, hardware, or IT services acquired must be incidental to the management improvement effort, and directly linked to the successful performance of the task. There are no**

specified definitions of incidental. This determination shall be made by the responsible agency Contracting Officer. Typical examples of services that are not authorized for purchase under a MOBIS task include, but are not limited to: financial audits; engineering services, IT systems integration, network services, volume purchase of IT hardware, software or software development, data base planning, administrative support unless directly related to a MOBIS requirement, marketing and media services, human resources services, Construction and Architect-Engineering Services as set forth in FAR Part 36 (including construction, alteration or repair of buildings, structures, or other real property). Training classes offered under SIN 874-4 which are not related to Business Office/Management Improvement Training as identified under the MOBIS scope will not be accepted. MOBIS is not a “General Training Schedule”. Please review Schedules 69 Training Aids and Devices, Instructor-Led Training, Development for Course Materials-Programmed Learning Devices, 738 X Human Resources Management and EEO Services, 00CORP Corporate Contract Schedule and other GSA Schedules which may be better suited for your products/services as identified at our Schedules E-Library website:

Contractors may propose to offer a full range of services to support the requirements specified in the Scope of Work for Special Item Numbers (SIN) 874-1 through 874-8 and 874-99 or they may choose to offer services in the SINS in which they specialize. Offerors are encouraged to offer in any or all SINS and are not required to propose services in all nine (9) SINS.

OTHER PERTINENT INFORMATION

This schedule is non-mandatory. If a potential customer (ordering activity) can find prices lower on the open market, they may utilize other procurement methods. The Government reserves the right to evaluate offers and award a contract without discussions. Therefore, the initial offer should contain the offeror's best terms from both a price and experience/past performance standpoint.

Contractor Team Arrangements are encouraged under the Federal Supply Schedules Program, for additional information see FAR 9.6 and “Contractor Team Arrangements” at our website <http://www.gsa.gov> under “Using GSA”, click on “GSA Schedules” click on “Contractor Team Arrangements”.

This procurement is unrestricted. All eligible sources are able to submit a proposal in response to this Request for Proposal (RFP). The North American Industry Classification System (NAICS) code cited throughout the solicitation is for internal business size stratification purposes only and is not meant to restrict this procurement to small businesses.

Pricing submitted for training services under Special Item Number (SIN) 874-4 shall be firm fixed-price on a per class basis. **If a customer agency requests customized training services it may be offered under SIN 874-1, but only when the training is directly related to ongoing MOBIS efforts such as training in new organization design or reengineered processes.**

An adequate and auditable labor hour recording and invoicing system will be required for all awardees accepting labor hour task orders. Awardees must possess such a system at the time of award. This accounting system will be subject to review and examination by the Government as appropriate.

Offerors attention is directed to FAR 9.5 Organizational and Consultant Conflict of Interest and Clause C-FSS-370 CONTRACTOR TASKS/SPECIAL REQUIREMENTS. The Contracting Officer has determined that potential conflicts of interest may occur during performance of the resultant contract. These include circumstances involving (1) systems engineering and technical direction, (2) preparation of specifications or work statements, (3) providing evaluation services, and (4) obtaining access to proprietary data or information. Ordering Officers may impose organizational conflict of interest provisions and/or clauses as they determine appropriate based upon the individual situation.

These costs are directly reimbursable by the ordering agency.
 - (A) The contractor shall notify the ordering agency, in writing, of the requirement for reimbursement of transportation and per diem expenses, prior to acceptance of the order. This notification shall include a “not to exceed” estimate of these proposed costs. Any applicable indirect costs associated with the transportation and per diem expenses will be charged at a rate negotiated prior to the using agency's delivery order. Contractors shall be reimbursed only for incurred costs at or below the “not to exceed.”
 - (B) Costs for transportation, lodging, meals, and incidental expenses incurred by contractor personnel on official company business are allowable subject to the limitations contained in FAR 31.205-46, Travel Costs.
 - (C) Reimbursements for costs that are not specified in this solicitation, or in any contract or task order resulting from this solicitation, are not allowed. It is GSA policy NOT to allow a charge of profit or fee on reimbursable items. Local travel in performance of a task order will be reimbursable only in accordance with ordering agency regulations.

NO REIMBURSEMENT IS AUTHORIZED EXCEPT AS SPECIFIED IN AN ORDERING AGENCY'S TASK ORDER.

- (2) The preferred type of Task order issued against the contract is Firm Fixed-Price. However, Labor-Hour Task orders or fixed-price incentive arrangements may be issued where circumstances dictate, as determined by the ordering agency Contracting Officer, provided a determination is made in accordance with FAR 16.601(b) and 16.601(c).

52.216-18 ORDERING (OCT 1995) (VARIATION—OCT 1995)

- (a) Any supplies and services to be furnished under this contract shall be ordered by issuance of delivery orders by the individuals or activities designated. Such orders may be issued during the contract term.
- (b) All delivery orders are subject to the terms and conditions of this contract. In the event of conflict between a delivery order and this contract, the contract shall control.

- (c) If mailed, a delivery order is considered “issued” when the Government deposits the order in the mail. Orders may be issued orally or by facsimile, or by electronic commerce methods only if authorized in the contract.

52.242-13 BANKRUPTCY (JUL 1995)

In the event the Contractor enters into proceedings relating to bankruptcy, whether voluntary or involuntary, the Contractor agrees to furnish, by certified mail or electronic commerce method authorized by the contract, written notification of the bankruptcy to the Contracting Officer responsible for administering the contract. This notification shall be furnished within five days of the initiation of the proceedings relating to bankruptcy filing. This notification shall include the date on which the bankruptcy petition was filed, the identity of the court in which the bankruptcy petition was filed, and a listing of Government contract numbers and contracting offices for all Government contracts against which final payment has not been made. This obligation remains in effect until final payment under this contract.

52.219-16 LIQUIDATED DAMAGES—SUBCONTRACTING PLAN (JAN 1999)

- (a) “Failure to make a good faith effort to comply with the subcontracting plan”, as used in this clause, means a willful or intentional failure to perform in accordance with the requirements of the subcontracting plan approved under the clause in this contract entitled “Small Business Subcontracting Plan,” or willful or intentional action to frustrate the plan.
- (b) Performance shall be measured by applying the percentage goals to the total actual subcontracting dollars or, if a commercial plan is involved, to the pro rata share of actual subcontracting dollars attributable to Government contracts covered by the commercial plan. If, at contract completion or, in the case of a commercial plan, at the close of the fiscal year for which the plan is applicable, the Contractor has failed to meet its subcontracting goals and the Contracting Officer decides in accordance with paragraph (c) of this clause that the Contractor failed to make a good faith effort to comply with its subcontracting plan, established in accordance with the clause in this contract entitled “Small Business Subcontracting Plan,” the Contractor shall pay the Government liquidated damages in an amount stated. The amount of probable damages attributable to the Contractor's failure to comply shall be an amount equal to the actual dollar amount by which the Contractor failed to achieve each subcontract goal.
- (c) Before the Contracting Officer makes a final decision that the Contractor has failed to make such good faith effort, the Contracting Officer shall give the Contractor written notice specifying the failure and permitting the Contractor to demonstrate what good faith efforts have been made and to discuss the matter. Failure to respond to the notice may be taken as an admission that no valid explanation exists. If, after consideration of all the pertinent data, the Contracting Officer finds that the Contractor failed to make a good faith effort to comply with the subcontracting plan, the Contracting Officer shall issue a final decision to that effect and require that the Contractor pay the Government liquidated damages as provided in paragraph (b) of this clause.
- (d) With respect to commercial plans, the Contracting Officer who approved the plan will perform the functions of the Contracting Officer under this clause on behalf of all agencies with contracts covered by the commercial plan.
- (e) The Contractor shall have the right of appeal, under the clause in this contract entitled Disputes, from any final decision of the Contracting Officer.
- (f) Liquidated damages shall be in addition to any other remedies that the Government may have.

52.222-1 NOTICE TO THE GOVERNMENT OF LABOR DISPUTES (FEB 1997)

If the Contractor has knowledge that any actual or potential labor dispute is delaying or threatens to delay the timely performance of this contract, the Contractor shall immediately give notice, including all relevant information, to the Contracting Officer.

**52.232-7 PAYMENTS UNDER TIME AND MATERIALS AND LABOR HOUR CONTRACTS (DEC 2002)
(ALTERNATE II FEB 2002)**

The Government will pay the Contractor as follows upon the submission of invoices or vouchers approved by the Contracting Officer:

- (a) *Hourly rate.*

(1) The amounts shall be computed by multiplying the appropriate hourly rates prescribed in the Schedule by the number of direct labor hours performed. The rates shall include wages, indirect costs, general and administrative expense, and profit. Fractional parts of an hour shall be payable on a prorated basis. Vouchers may be submitted once each month (or at more frequent intervals, if approved by the Contracting Officer), to the Contracting Officer or designee. The Contractor shall substantiate vouchers by evidence of actual payment and by individual daily job timecards, or other substantiation approved by the Contracting Officer. Promptly after receipt of each substantiated voucher, the Government shall, except as otherwise provided in this contract, and subject to the terms of (e) of this section, pay the voucher as approved by the Contracting Officer.

(2) Unless otherwise prescribed in the Schedule, the Contracting Officer shall withhold 5 percent of the amounts due under this paragraph (a), but the total amount withheld shall not exceed \$50,000. The amounts withheld shall be retained until the execution and delivery of a release by the Contractor as provided in paragraph (f) of this section.

(3) Unless the Schedule prescribes otherwise, the hourly rates in the Schedule shall not be varied by virtue of the Contractor having performed work on an overtime basis. If no overtime rates are provided in the Schedule and overtime work is approved in advance by the Contracting Officer, overtime rates shall be negotiated. Failure to agree upon these overtime rates shall be treated as a dispute under the Disputes clause of this contract. If the Schedule provides rates for overtime, the premium portion of those rates will be reimbursable only to the extent the overtime is approved by the Contracting Officer.

(b) *Materials and subcontracts.*

(1) The Contracting Officer will determine allowable costs of direct materials in accordance with Subpart 31.2 of the Federal Acquisition Regulation (FAR) in effect on the date of this contract. Direct materials, as used in this clause, are those materials that enter directly into the end product, or that are used or consumed directly in connection with the furnishing of the end product.

(2) The Contractor may include reasonable and allocable material handling costs in the charge for material to the extent they are clearly excluded from the hourly rate. Material handling costs are comprised of indirect costs, including, when appropriate, general and administrative expense allocated to direct materials in accordance with the Contractor's usual accounting practices consistent with Subpart 31.2 of the FAR.

(3) The Government will reimburse the Contractor for supplies and services purchased directly for the contract when the Contractor

(i) Has made payments of cash, checks, or other forms of payment for these purchased supplies or services; or

(ii) Will make these payments determined due

(A) In accordance with the terms and conditions of a subcontractor or invoices; and

(B) Ordinarily within 30 days of the submission of the Contractor's payment request to the Government.

(4) (i) The Government will reimburse the Contractor for costs of subcontracts that are authorized under the subcontracts clause of this contract, provided that the costs are consistent with paragraph (b)(5) of this clause.

(ii) The Government will limit reimbursable costs in connection with subcontracts to the amounts paid for supplies and services purchased directly for the contract when the Contractor has made or will make payments determined due of cash, checks, or other forms of payment to the subcontractor

(A) In accordance with the terms and conditions of a subcontract or invoice; and

(B) Ordinarily within 30 days of the submission of the Contractor's payment request to the Government.

(iii) The Government will not reimburse the Contractor for any costs arising from the letting, administration, or supervision of performance of the subcontract, if the costs are included in the hourly rates payable under paragraph (a)(1) of this clause.

(5) To the extent able, the Contractor shall

(i) Obtain materials at the most advantageous prices available with due regard to securing prompt delivery of satisfactory materials; and

(ii) Take all cash and trade discounts, rebates, allowances, credits, salvage, commissions, and other benefits. When unable to take advantage of the benefits, the Contractor shall promptly notify the Contracting Officer and give the reasons. The Contractor shall give credit to the Government for cash and trade discounts, rebates, scrap, commissions, and other amounts that have accrued to the benefit of the Contractor, or would have accrued except for the fault or neglect of the Contractor. The Contractor shall not deduct from gross costs the benefits lost without fault or neglect on the part of the Contractor, or lost through fault of the Government.

(c) *Total cost.* It is estimated that the total cost to the Government for the performance of this contract shall not exceed the ceiling price set forth in the Schedule and the Contractor agrees to use its best efforts to perform the work specified in the Schedule and all obligations under this contract within such ceiling price. If at any time the Contractor has reason to believe that the hourly rate payments and material costs that will accrue in performing this contract in the next succeeding 30 days, if added to all other payments and costs previously accrued, will exceed 85 percent of the ceiling price in the Schedule, the Contractor shall notify the Contracting Officer giving a revised estimate of the total price to the Government for performing this contract with supporting reasons and documentation. If at any time during performing this contract, the Contractor has reason to believe that the total price to the Government for performing this contract will be substantially greater or less than the then stated ceiling price, the Contractor shall so notify the Contracting Officer, giving a revised estimate of the total price for performing this contract, with supporting reasons and documentation. If at any time during performing this contract, the Government has reason to believe that the work to be required in performing this contract will be substantially greater or less than the stated ceiling price, the Contracting Officer will so advise the Contractor, giving the then revised estimate of the total amount of effort to be required under the contract.

(d) *Ceiling price.* The Government shall not be obligated to pay the Contractor any amount in excess of the ceiling price in the Schedule, and the Contractor shall not be obligated to continue performance if to do so would exceed the ceiling price set forth in the Schedule, unless and until the Contracting Officer shall have notified the Contractor in writing that the ceiling price has been increased and shall have specified in the notice a revised ceiling that shall constitute the ceiling price for performance under this contract. When and to the extent that the ceiling price set forth in the Schedule has been increased, any hours expended and material costs incurred by the Contractor in excess of the ceiling price before the increase shall be allowable to the same extent as if the hours expended and material costs had been incurred after the increase in the ceiling price.

(e) *Audit.* At any time before final payment under this contract the Contracting Officer may request audit of the invoices or vouchers and substantiating material. Each payment previously made shall be subject to reduction to the extent of amounts, on preceding invoices or vouchers, that are found by the Contracting Officer not to have been properly payable and shall also be subject to reduction for overpayments or to increase for underpayments. Upon receipt and approval of the voucher or invoice designated by the Contractor as the "completion voucher" or "completion invoice" and substantiating material, and upon compliance by the Contractor with all terms of this contract (including, without limitation, terms relating to patents and the terms of (f) and (g) of this section), the Government shall promptly pay any balance due the Contractor. The completion invoice or voucher, and substantiating material, shall be submitted by the Contractor as promptly as practicable following completion of the work under this contract, but in no event later than 1 year (or such longer period as the Contracting Officer may approve in writing) from the date of completion.

(f) *Assignment.* The Contractor, and each assignee under an assignment entered into under this contract and in effect at the time of final payment under this contract, shall execute and deliver, at the time of and as a condition precedent to final payment under this contract, a release discharging the Government, its officers, agents, and employees of and from all liabilities, obligations, and claims arising out of or under this contract, subject only to the following exceptions:

(1) Specified claims in stated amounts, or in estimated amounts if the amounts are not susceptible of exact statement by the Contractor.

(2) Claims, together with reasonable incidental expenses, based upon the liabilities of the Contractor to third parties arising out of performing this contract, that are not known to the Contractor on the date of the execution of the release, and of which the Contractor gives notice in writing to the Contracting Officer not more than 6 years after the date of the release or the date of any notice to the Contractor that the Government is prepared to make final payment, whichever is earlier.

(3) Claims for reimbursement of costs (other than expenses of the Contractor by reason of its indemnification of the Government against patent liability), including reasonable incidental expenses, incurred by the Contractor under the terms of this contract relating to patents.

(g) *Refunds.* The Contractor agrees that any refunds, rebates, or credits (including any related interest) accruing to or received by the Contractor or any assignee, that arise under the materials portion of this contract and for which the Contractor has received reimbursement, shall be paid by the Contractor to the Government. The Contractor and each assignee, under an assignment entered into under this contract and in effect at the time of final payment under this contract, shall execute and deliver, at the time of and as a condition precedent to final payment under this contract, an assignment to the Government of such refunds, rebates, or credits (including any interest) in form and substance satisfactory to the Contracting Officer.

(h) *Interim payments.*

(1) Interim payments made prior to the final payment under the contract are contract financing payments. Contract financing payments are not subject to the interest penalty provisions of the Prompt Payment Act.

(2) The designated payment office will make interim payments for contract financing on the *_____ * [Contracting Officer insert day as prescribed by agency head; if not prescribed, insert "30th"] day after the designated billing office receives a proper payment request. In the event that the Government requires an audit or other review of a specific payment request to ensure compliance with the terms and conditions of the contract, the designated payment office not compelled to make payment by the specified due date.

(i) The terms of this clause that govern reimbursement for materials furnished are considered to have been deleted.

52.232-17 INTEREST (JUN 1996)

The interest rate shall be the interest rate established by the Secretary of the Treasury as provided in Section 12 of the Contract Disputes Act of 1978 (Public Law 95-563), which is applicable to the period in which the amount becomes due, as provided in paragraph (b) of this clause, and then at the rate applicable for each six-month period as fixed by the Secretary until the amount is paid.

 - (1) The date fixed under this contract.
 - (2) The date of the first written demand for payment consistent with this contract, including any demand resulting from a default termination.
 - (3) The date the Government transmits to the Contractor a proposed supplemental agreement to confirm completed negotiations establishing the amount of debt.
 - (4) If this contract provides for revision of prices, the date of written notice to the Contractor stating the amount of refund payable in connection with a pricing proposal or a negotiated pricing agreement not confirmed by contract modification.
- (c) The interest charge made under this clause may be reduced under the procedures prescribed in 32.614-2 of the Federal Acquisition Regulation in effect on the date of this contract.

52.232-37 MULTIPLE PAYMENT ARRANGEMENTS (MAY 1999)

This contract or agreement provides for payments to the Contractor through several alternative methods. The applicability of specific methods of payment and the designation of the payment office(s) are either stated—

- (a) Elsewhere in this contract or agreement; or
- (b) In individual orders placed under this contract or agreement.

552.229-71 FEDERAL EXCISE TAX—DC GOVERNMENT (SEP 1999)

If the District of Columbia cites an Internal Revenue Tax Exempt Certificate Number on orders placed under this contract, the Contractor shall bill shipments to the District of Columbia at prices exclusive of Federal excise tax and show the amount of such tax on the invoice.

552.232-23 ASSIGNMENT OF CLAIMS (SEP 1999)

Because this is a requirements or indefinite quantity contract under which more than one agency may place orders, paragraph (a) of the Assignment of Claims clause (FAR 52.232-23) is inapplicable and the following is substituted therefore:

In order to prevent confusion and delay in making payment, the Contractor shall not assign any claim(s) for amounts due or to become due under this contract. However, the Contractor is permitted to assign separately to a bank, trust company, or other financial institution, including any Federal lending agency, under the provisions of the Assignment of Claims Act, as amended, 31 U.S.C. 3727, 41 U.S.C. 15 (hereinafter referred to as "the Act"), all amounts due or to become due under any order amounting to \$1,000 or more issued by any Government agency under this contract. Any such assignment takes effect only if and when the assignee files written notice of the assignment together with a true copy of the instrument of assignment with the contracting officer issuing the order and the finance office designated in the order to make payment. Unless otherwise stated in the order, payments to an assignee of any amounts due or to become due under any order assigned may, to the extent specified in the Act, be subject to reduction or set-off.

552.232-74 INVOICE PAYMENTS (SEP 1999)

(a) The due date for making invoice payments by the designated payment office is:

- (1) For orders placed electronically by the General Services Administration (GSA) Federal Supply Service (FSS), and to be paid by GSA through electronic funds transfer (EFT), the later of the following two events:

- (i) The 10th day after the designated billing office receives a proper invoice from the Contractor. If the designated billing office fails to annotate the invoice with the date of receipt at the time of receipt, the invoice payment due date shall be the 10th day after the date of the Contractor's invoice; provided the Contractor submitted a proper invoice and no disagreement exists over quantity, quality, or Contractor compliance with contract requirements.

- (ii) The 10th day after Government acceptance of supplies delivered or services performed by the Contractor.

- (2) For all other orders, the later of the following two events:

- (i) The 30th day after the designated billing office receives a proper invoice from the Contractor. If the designated billing office fails to annotate the invoice with the date of receipt at the time of receipt, the invoice payment due date shall be the 30th day after the date of the Contractor's invoice; provided the Contractor submitted a proper invoice and no disagreement exists over quantity, quality, or Contractor compliance with contract requirements.

- (ii) The 30th day after Government acceptance of supplies delivered or services performed by the Contractor.

- (3) On a final invoice, if the payment amount is subject to contract settlement actions, acceptance occurs on the effective date of the contract settlement.

(b) The General Services Administration will issue payment on the due date in (a)(1) above if the Contractor complies with full cycle electronic commerce. Full cycle electronic commerce includes all the following elements:

- (1) The Contractor must receive and fulfill electronic data interchange (EDI) purchase orders (transaction set 850).
- (2) The Contractor must generate and submit to the Government valid EDI invoices (transaction set 810) or submit invoices through the GSA Finance Center Internet-based invoice process. Internet-based invoices must be submitted using procedures provided by GSA.

- (3) The Contractor's financial institution must receive and process, on behalf of the Contractor, EFT payments through the Automated Clearing House (ACH) system.
- (4) The EDI transaction sets in (b)(1) through (b)(3) above must adhere to implementation conventions provided by GSA.
- (c) If any of the conditions in (b) above do not occur, the 10 day payment due dates in (a)(1) become 30 day payment due dates.
- (d) Notwithstanding paragraph (g) of the clause at FAR 52.212-4, Contract Terms and Conditions--Commercial Items, if the Contractor submits hard-copy invoices, submit only an original invoice. No copies of the invoice are required.
- (e) All other provisions of the Prompt Payment Act (31 U.S.C. 3901 et seq.) and Office of Management and Budget (OMB) Circular A-125, Prompt Payment, apply.

I-FSS-314 FOREIGN TAXES AND DUTIES (DEC 1990)

Prices offered must be net, delivered, f.o.b. to the destinations accepted by the Government.

- (a) The offeror warrants that such prices do not include any tax, duty, customs fees, or other foreign Governmental costs, assessments, or similar charges from which the U.S. Government is exempt. The offeror further warrants that any applicable taxes duties, customs fees, other Government costs, assessments or similar charges from which the U.S. Government is not exempt are included in the prices quoted and that such prices are not subject to increases for any such charges applicable at the time of acceptance of this offer by the Government.
- (b) Standard commercial export packaging, including containerization, if necessary, packaging, preservation, marking are included in the pricing offered and accepted by the Government.

I-FSS-249-B DEFAULT (MAY 2000)

In addition to any other clause contained herein related to termination, the following is applicable to orders placed under Federal Supply Schedule contracts.

Any ordering office may, with respect to any one or more orders placed by it under the contract, exercise the same right of termination, acceptance of inferior articles or services, and assessment of excess costs as might the Contracting Officer, except that when failure to deliver articles or services is alleged by the Contractor to be excusable, the determination of whether the failure is excusable shall be made only by the Contracting Officer of the General Services Administration, to whom such allegation shall be referred by the ordering office and from whose determination appeal may be taken as provided in the clause of this contract entitled "Disputes."

(End of addendum)

552.216-72 PLACEMENT OF ORDERS (SEP 1999) (ALTERNATE II—SEP 1999)(TAILORED)

Subject to the Contractor's agreement, other agencies may place orders by EDI.
- (d) When computer-to-computer EDI procedures will be used to place orders, the Contractor shall enter into one or more Trading Partner Agreements (TPA) with each Federal agency placing orders electronically in order to ensure mutual understanding by the parties of certain electronic transaction conventions and to recognize the rights and responsibilities of the parties as they apply to this method of placing orders. The TPA must identify, among other things, the third party provider(s) through which electronic orders are placed, the transaction sets used, security procedures, and guidelines for implementation. Federal agencies may obtain a sample format to customize as needed from the office specified in (g) below.
- (e) The Contractor shall be responsible for providing its own hardware and software necessary to transmit and receive data electronically. Additionally, each party to the TPA shall be responsible for the costs associated with its use of third party provider services.
- (f) Nothing in the TPA will invalidate any part of this contract between the Contractor and the General Services Administration. All terms and conditions of this contract that otherwise would be applicable to a mailed order shall apply to the electronic order.
- (g) The basic content and format of the TPA will be provided by:

General Services Administration

G-FSS-907 ORDER ACKNOWLEDGEMENT (APR 1984)

Contractors shall acknowledge only those orders which state "Order Acknowledgement Required." These orders shall be acknowledged within 10 days after receipt. Such acknowledgement shall be sent to the activity placing the order and contain information pertinent to the order, including the anticipated delivery date.

52.216-22 INDEFINITE QUANTITY (OCT 1995) (VARIATION—OCT 1995)

- (a) This is an indefinite-quantity contract for the supplies or services specified, and effective for the period stated. The quantities of supplies and services specified in the contract are estimates only and are not purchased by this contract.
- (b) Delivery or performance shall be made only as authorized by orders issued in accordance with the Ordering clause. The Contractor shall furnish to the Government, when and if ordered, the supplies or services specified in the contract. The Government shall order at least the quantity of supplies or services designated in the contract as the "minimum."
- (c) Except for any limitations on quantities in the Guaranteed Minimum clause or Order Limitations clause, there is no limit on the number of orders that may be issued. The Government may issue orders requiring delivery to multiple destinations or performance at multiple locations.
- (d) Any order issued during the effective period of this contract and not completed within that period shall be completed by the Contractor within the time specified in the order. The contract shall govern the Contractor's and Government's rights and obligations with respect to that order to the same extent as if the order were completed during the contract's effective period.

52.216-19 ORDER LIMITATIONS (OCT 1995) (VARIATION I—AUG 1999) (TAILORED)

- (a) Minimum order. When the Government requires supplies or services covered by this contract in an amount less than \$300, the Government is not obligated to purchase, nor is the Contractor obligated to furnish those supplies or services under the contract. However, offerors may, if willing to accept smaller orders, specify a smaller amount in their offers. If a smaller amount is offered, it is mutually agreed that the Contractor will accept such orders and specify the smaller minimum order limitation in the applicable catalog/pricelist. If the offeror fails to specify a smaller amount, the Government may place orders for a smaller amount. Such orders shall be deemed to be accepted by the Contractor, unless returned to the ordering office within 5 workdays after receipt by the Contractor.
- (b) Maximum order. The Contractor is not obligated to honor any order for a combination of items in excess of:

ITEM NUMBER/SIN

MAXIMUM ORDER

ALL ITEMS

\$1,000,000.00

- (c) Notwithstanding paragraph (b) above, the Contractor shall honor any order exceeding the maximum orders in paragraph (b), unless that order (or orders) is returned to the ordering office within 5 workdays after receipt, with written notice stating the Contractor's intent not to ship the item (or items) called for and the reasons. Upon receiving this notice, the Government may acquire the supplies or services from another source.
- (d) Notwithstanding paragraph (b) and (c) above, the Contractor shall honor any purchase card orders exceeding the maximum orders in paragraph (b), unless that order (or orders) is returned to the ordering office within 24 hours after receipt, with written notice stating the Contractor's intent not to ship the item (or items) called for and the reasons. Upon receiving this notice, the Government may acquire the supplies or services from another source.

552.238-74

INDUSTRIAL FUNDING FEE AND SALES REPORTING (JUL 2003)

(a) Reporting of Federal Supply Schedule Sales. The Contractor shall report all contract sales under this contract as follows:

- (1) The Contractor shall accurately report the dollar value, in U.S. dollars and rounded to the nearest whole dollar, of all sales under this contract by calendar quarter (January 1-March 31, April 1-June 30, July 1-September 30, and October 1-December 31). The dollar value of a sale is the price paid by the Schedule user for products and services on a Schedule task or delivery order. The reported contract sales value shall include the Industrial Funding Fee (IFF). The Contractor shall maintain a consistent accounting method of sales reporting, based on the Contractor's established commercial accounting practice. The acceptable points at which sales may be reported include--
 - (i) Receipt of order;
 - (ii) Shipment or delivery, as applicable;
 - (iii) Issuance of an invoice; or
 - (iv) Payment.
- (2) Contract sales shall be reported to FSS within 30 calendar days following the completion of each reporting quarter. The Contractor shall continue to furnish quarterly reports, including "zero" sales, through physical completion of the last outstanding task order or delivery order of the contract.
- (3) Reportable sales under the contract are those resulting from sales of contract items to authorized users unless the purchase was conducted pursuant to a separate contracting authority such as a Governmentwide Acquisition Contract (GWAC); a separately awarded FAR Part 12, FAR Part 13, FAR Part 14, or FAR Part 15 procurement; or a non-FAR contract. Sales made to state and local governments under Cooperative Purchasing authority shall be counted as reportable sales for IFF purposes.
- (4) The Contractor shall electronically report the quarterly dollar value of sales, including "zero" sales, by utilizing the automated reporting system at an Internet website designated by the General Services Administration's (GSA) Federal Supply Service (FSS). Prior to using this automated system, the Contractor shall complete contract registration with the FSS Vendor Support Center (VSC). The website address, as well as registration instructions and reporting procedures, will be provided at the time of award. The Contractor shall report sales separately for each National Stock Number (NSN), Special Item Number (SIN), or sub-item.
- (5) The Contractor shall convert the total value of sales made in foreign currency to U.S. dollars using the "Treasury Reporting Rates of Exchange" issued by the U.S. Department of Treasury, Financial Management Service. The Contractor shall use the issue of the Treasury report in effect on the last day of the calendar quarter. The report is available from Financial Management Service, International Funds Branch, Telephone: (202) 874-7994, Internet: <http://www.fms.treas.gov/intn.html>.

(b) The Contractor shall remit the IFF at the rate set by GSA's FSS.

- (1) The Contractor shall remit the IFF to FSS in U.S. dollars within 30 calendar days after the end of the reporting quarter; final payment shall be remitted within 30 days after physical completion of the last outstanding task order or delivery order of the contract.
- (2) The IFF represents a percentage of the total quarterly sales reported. This percentage is set at the discretion of GSA's FSS. GSA's FSS has the unilateral right to change the percentage at any time, but not more than once per year. FSS will provide reasonable notice prior to the effective date of the change. The IFF reimburses FSS for the costs of operating the Federal Supply Schedules Program and recoups its operating costs from ordering activities. Offerors must include the IFF in their prices. The fee is included in the award price(s) and reflected in the total amount charged to ordering activities. FSS will post notice of the current IFF at <http://72a.gsa.gov/> or successor website as appropriate.

- (c) Within 60 days of award an FSS representative will provide the Contractor with specific written procedural instructions on remitting the IFF. FSS reserves the unilateral right to change such instructions from time to time, following notification to the Contractor.
- (d) Failure to remit the full amount of the IFF within 30 calendar days after the end of the applicable reporting period constitutes a contract debt to the United States Government under the terms of FAR Subpart 32.6. The Government may exercise all rights under the Debt Collection Improvement Act of 1996, including withholding or setting off payments and interest on the debt (see FAR clause 52.232-17, Interest). Should the Contractor fail to submit the required sales reports, falsify them, or fail to timely pay the IFF, this is sufficient cause for the Government to terminate the contract for cause.

552.238-71 SUBMISSION OF AUTHORIZED FSS SCHEDULE PRICELISTS (SEP 1999) (Deviation JUL 2004)

- a) The Contracting Officer will return one copy of the Authorized FSS Schedule Pricelist to the Contractor with the notification of contract award.
- b) The Contractor shall provide to the GSA Contracting Officer
 - (i) Two paper copies of Authorized FSS Schedule Pricelist; and
 - (ii) The Authorized FSS Schedule Pricelist on a common-use electronic medium.

The Contracting Officer will provide detailed instructions for the electronic submission with the award notification. Some structured data entry in a prescribed format may be required.

- c) During the period of the contract, the Contractor shall provide one copy of its Authorized FSS Schedule Pricelist to any authorized schedule user, upon request. Use of the mailing list for any other purpose is not authorized.

G-FSS-900-C CONTACT FOR CONTRACT ADMINISTRATION (JUL 2003) (TAILORED)

Offerors should complete paragraphs (a) and (b) if providing both domestic and overseas delivery. Complete paragraph (a) if providing domestic delivery only. Complete paragraph (b) if providing overseas delivery only.

The Contractor shall designate a person to serve as the contract administrator for the contract both domestically and overseas. The contract administrator is responsible for overall compliance with contract terms and conditions. The contract administrator is also the responsible official for issues concerning 552.238-74, Industrial Funding Fee and Sales Reporting (JUL 2003), including reviews of contractor records. The Contractor's designation of representatives to handle certain functions under this contract does not relieve the contract administrator of responsibility for contract compliance. Any changes to the designated individual must be provided to the Contracting Officer in writing, with the proposed effective date of the change

552.232-83 CONTRACTOR'S BILLING RESPONSIBILITIES (MAY 2003)

The Contractor is required to perform all billings made pursuant to this contract. However, if the Contractor has dealers that participate on the contract and the billing/payment process by the Contractor for sales made by the dealer is a significant administrative burden, the following alternative procedures may be used. Where dealers are allowed by the Contractor to bill ordering activities and accept payment in the Contractor's name, the Contractor agrees to obtain from all dealers participating in the performance of the contract a written agreement, which will require dealers to—

- (1) Comply with the same terms and conditions regarding prices as the Contractor for sales made under the contract;
- (2) Maintain a system of reporting sales under the contract to the manufacturer, which includes—
 - (i) The date of sale;
 - (ii) The ordering activity to which the sale was made;
 - (iii) The service or product/model sold;
 - (iv) The quantity of each service or product/model sold;
 - (v) The price at which it was sold, including discounts; and
 - (vi) All other significant sales data.
- (3) Be subject to audit by the Government, with respect to sales made under the contract; and
- (4) Place orders and accept payments in the name of the Contractor in care of the dealer.

An agreement between a Contractor and its dealers pursuant to this procedure will not establish privity of contract between dealers and the Government.

552.232-82 CONTRACTOR'S REMITTANCE (PAYMENT) ADDRESS (MAY 2003)

- (a) Payment by electronic funds transfer (EFT) is the preferred method of payment. However, under certain conditions, the ordering activity may elect to make payment by check. The offeror shall indicate below the payment address to which checks should be mailed for payment of proper invoices submitted under a resultant contract.

PAYMENT ADDRESS:

- (b) Offeror shall furnish by attachment to this solicitation, the remittance (payment) addresses of all authorized participating dealers receiving orders and accepting payment by check in the name of the Contractor in care of the dealer, if different from their ordering address(es) specified elsewhere in this solicitation. If a dealer's ordering and remittance address differ, both must be furnished and identified as such.
- (c) All offerors are cautioned that if the remittance (payment) address shown on an actual invoice differs from that shown in paragraph (b) of this provision or on the attachment, the remittance address(es) in paragraph (b) of this provision or attached will govern. Payment to any other address, except as provided for through EFT payment methods, will require an administrative change to the contract.

Note: All orders placed against a Federal Supply Schedule contract are to be paid by the individual ordering activity placing the order. Each order will cite the appropriate ordering activity payment address, and proper invoices should be sent to that address. Proper invoices should be sent to GSA only for orders placed by GSA. Any other ordering activity's invoices sent to GSA will only delay your payment.

52.202-1 DEFINITIONS (JUL 2004)

- (a) When a solicitation provision or contract clause uses a word or term that is defined in the Federal Acquisition Regulation (FAR), the word or term has the same meaning as the definition in FAR 2.101 in effect at the time the solicitation was issued, unless—
- (1) The solicitation, or amended solicitation, provides a different definition;
 - (2) The contracting parties agree to a different definition;
 - (3) The part, subpart, or section of the FAR where the provision or clause is prescribed provides a different meaning; or
 - (4) The word or term is defined in FAR Part 31, for use in the cost principles and procedures.
- (b) The FAR Index is a guide to words and terms the FAR defines and shows where each definition is located. The FAR Index is available via the Internet at <http://www.acqnet.gov> at the end of the FAR, after the FAR Appendix.

52.203-3 GRATUITIES (APR 1984)

- (a) The right of the Contractor to proceed may be terminated by written notice if, after notice and hearing, the agency head or a designee determines that the Contractor, its agent, or another representative—

- (1) Offered or gave a gratuity (e.g., an entertainment or gift) to an officer, official, or employee of the Government; and
- (2) Intended, by the gratuity, to obtain a contract or favorable treatment under a contract.
- (b) The facts supporting this determination may be reviewed by any court having lawful jurisdiction.
- (c) If this contract is terminated under paragraph (a) above, the Government is entitled—
 - (1) To pursue the same remedies as in a breach of the contract; and
 - (2) In addition to any other damages provided by law, to exemplary damages of not less than 3 nor more than 10 times the cost incurred by the Contractor in giving gratuities to the person concerned, as determined by the agency head or a designee.
(This subparagraph (c)(2) is applicable only if this contract uses money appropriated to the Department of Defense.)
- (d) The rights and remedies of the Government provided in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law or under this contract.

**52.232-33 PAYMENT BY ELECTRONIC FUNDS TRANSFER—CENTRAL CONTRACTOR
REGISTRATION (OCT 2003)**

- (a) Method of payment.
 - (1) All payments by the Government under this contract shall be made by electronic funds transfer (EFT), except as provided in paragraph (a)(2) of this clause. As used in this clause, the term "EFT" refers to the funds transfer and may also include the payment information transfer.
 - (2) In the event the Government is unable to release one or more payments by EFT, the Contractor agrees to either—
 - (i) Accept payment by check or some other mutually agreeable method of payment; or
 - (ii) Request the Government to extend the payment due date until such time as the Government can make payment by EFT (but see paragraph (d) of this clause).
- (b) Contractor's EFT information. The Government shall make payment to the Contractor using the EFT information contained in the Central Contractor Registration (CCR) database. In the event that the EFT information changes, the Contractor shall be responsible for providing the updated information to the CCR database.
- (c) Mechanisms for EFT payment. The Government may make payment by EFT through either the Automated Clearing House (ACH) network, subject to the rules of the National Automated Clearing House Association, or the Fedwire Transfer System. The rules governing Federal payments through the ACH are contained in 31 CFR part 210.
- (d) Suspension of payment. If the Contractor's EFT information in the CCR database is incorrect, then the Government need not make payment to the Contractor under this contract until correct EFT information is entered into the CCR database; and any invoice or contract financing request shall be deemed not to be a proper invoice for the purpose of prompt payment under this contract. The prompt payment terms of the contract regarding notice of an improper invoice and delays in accrual of interest penalties apply.
- (e) Liability for uncompleted or erroneous transfers.
 - (1) If an uncompleted or erroneous transfer occurs because the Government used the Contractor's EFT information incorrectly, the Government remains responsible for—

- (i) Making a correct payment;
 - (ii) Paying any prompt payment penalty due; and
 - (iii) Recovering any erroneously directed funds.
- (2) If an uncompleted or erroneous transfer occurs because the Contractor's EFT information was incorrect, or was revised within 30 days of Government release of the EFT payment transaction instruction to the Federal Reserve System, and—
- (i) If the funds are no longer under the control of the payment office, the Government is deemed to have made payment and the Contractor is responsible for recovery of any erroneously directed funds; or
 - (ii) If the funds remain under the control of the payment office, the Government shall not make payment, and the provisions of paragraph (d) of this clause shall apply.
- (f) EFT and prompt payment. A payment shall be deemed to have been made in a timely manner in accordance with the prompt payment terms of this contract if, in the EFT payment transaction instruction released to the Federal Reserve System, the date specified for settlement of the payment is on or before the prompt payment due date, provided the specified payment date is a valid date under the rules of the Federal Reserve System.
- (g) EFT and assignment of claims. If the Contractor assigns the proceeds of this contract as provided for in the assignment of claims terms of this contract, the Contractor shall require as a condition of any such assignment, that the assignee shall register separately in the CCR database and shall be paid by EFT in accordance with the terms of this clause. Notwithstanding any other requirement of this contract, payment to an ultimate recipient other than the Contractor, or a financial institution properly recognized under an assignment of claims pursuant to subpart 32.8, is not permitted. In all respects, the requirements of this clause shall apply to the assignee as if it were the Contractor. EFT information that shows the ultimate recipient of the transfer to be other than the Contractor, in the absence of a proper assignment of claims acceptable to the Government, is incorrect EFT information within the meaning of paragraph (d) of this clause.
- (h) Liability for change of EFT information by financial agent. The Government is not liable for errors resulting from changes to EFT information made by the Contractor's financial agent.
- (i) Payment information. The payment or disbursing office shall forward to the Contractor available payment information that is suitable for transmission as of the date of release of the EFT instruction to the Federal Reserve System. The Government may request the Contractor to designate a desired format and method(s) for delivery of payment information from a list of formats and methods the payment office is capable of executing. However, the Government does not guarantee that any particular format or method of delivery is available at any particular payment office and retains the latitude to use the format and delivery method most convenient to the Government. If the Government makes payment by check in accordance with paragraph (a) of this clause, the Government shall mail the payment information to the remittance address contained in the CCR database.

552.232-77 PAYMENT BY GOVERNMENT COMMERCIAL PURCHASE CARD (MAR 2000)
(ALTERNATE I—MAR 2000)

(a) Definitions.

“*Governmentwide commercial purchase card*” means a uniquely numbered credit card issued by a contractor under GSA's Governmentwide Contract for Fleet, Travel, and purchase Card Services to named individual Government employees or entities to pay for official Government purchases.

“*Oral order*” means an order placed orally either in person or by telephone.

- (b) The Contractor must accept the Governmentwide commercial purchase card for payments equal to or less than the micro-purchase threshold (see Federal Acquisition Regulation 2.101) for oral or written orders under this contract.

- (c) The Contractor and the ordering agency may agree to use the Governmentwide commercial purchase card for dollar amounts over the micro-purchase threshold, and the Government encourages the Contractor to accept payment by the purchase card. The dollar value of a purchase card action must not exceed the ordering agency's established limit. If the Contractor will not accept payment by the purchase card for an order exceeding the micro-purchase threshold, the Contractor must so advise the ordering agency within 24 hours of receipt of the order.
- (d) The Contractor shall not process a transaction for payment through the credit card clearinghouse until the purchased supplies have been shipped or services performed. Unless the cardholder requests correction or replacement of a defective or faulty item under other contract requirements, the Contractor must immediately credit a cardholder's account for items returned as defective or faulty.
- (e) Payments made using the Governmentwide commercial purchase card are not eligible for any negotiated prompt payment discount. Payment made using a Government debit card will receive the applicable prompt payment discount.

Approved program means a program determined to be necessary or appropriate for priorities and allocation support to promote the national defense by the Secretary of Defense, the Secretary of Energy, or the Department of Homeland Security Under Secretary for Emergency Preparedness and Response under the authority of the Defense Production Act, the Stafford Act, and Executive Order 12919, or the Selective Service Act and related statutes, and Executive Order 12742. See Schedule 1 of 15 CFR part 700 for a list of Delegate Agencies, approved programs, and program identification symbols at <http://www.bis.doc.gov/DefenseIndustrialBasePrograms/OSIES/DPAS/Default.htm>.

Defense Priorities and Allocations System (DPAS) means the regulation published at 15 CFR part 700 that requires preferential treatment for certain contracts and orders placed by a Delegate Agency in support of an approved program.

Delegate Agency means an agency of the U.S. Government authorized by delegation from the Department of Commerce (DOC) to place priority ratings on contracts or orders needed to support approved programs.

Rated order means, for the purpose of this contract, a delivery or task order issued in accordance with the provisions of the DPAS regulation (15 CFR part 700).

(b) *Rated Order Requirement.*

From time to time, the Contractor may receive a rated order under this contract from a Delegate Agency. The Contractor must give preferential treatment to rated orders as required by the Defense Priorities and Allocations System (DPAS) regulation (15 CFR part 700). The existence of previously accepted unrated or lower rated orders is not sufficient reason to reject a rated order. Rated orders take preference over all unrated orders as necessary to meet required delivery dates. There are two levels of ratings designated by the symbol of either "DO" or "DX." All "DO" rated orders have equal priority with each other and take preference over unrated orders. All "DX" rated orders have equal priority with each other and take preference over "DO" rated orders and unrated orders. The rating designation is followed by a program identification symbol. Program identification symbols indicate which approved program is supported by the rated order (see Schedule 1 of 15 CFR part 700 for a list of Delegate Agencies, approved programs, and program identification symbols).

(c) *Additional information.*

Additional information may be obtained at the DOC DPAS website <http://www.bis.doc.gov/DefenseIndustrialBasePrograms/OSIES/DPAS/Default.htm> or by contacting the designated Administrative Contracting Officer.

Incentives shall be based on objectively measurable tasks.

I-FSS-95 RE-REPRESENTATION OF SIZE STATUS FOR OPTION PERIODS (JUN 2003)

For certain requirements, the Government enters into contracts with multiple contractors for the same or similar services or products. Such contracts frequently contain options that allow the contract to be extended when it is determined to be in the best interest of the Government. Contract extensions may have an impact on the program established by the Government to assist small businesses when there is a change in the status of the Contractor during the contract term.

Prior to the time the Contracting Officer exercises an option, the Contractor will be required to re-represent business size status and 8(a) program eligibility to the Contracting Officer by completing the applicable portion of 52.212-3, Offeror Representations and Certification—Commercial Items, or 52.219-1, Small Business Program Representations, as applicable to this contract.

- (a) When the contract did not result from a small business set-aside:

If a previously awarded small business concern re-represents itself as other than small, an acceptable subcontracting plan must be negotiated with the Contracting Officer if the value of the remainder of the contract option periods exceeds the threshold for a subcontracting plan.

- (b) When the contract resulted from a small business set-aside:

If a previously awarded small business concern re-represents itself as other than small, the Contracting Officer shall be precluded from exercising the option.

- (c) When the contract resulted from an 8(a) set-aside:

If a previously awarded 8(a) small business concern re-represents itself as other than 8(a), the Contracting Officer shall be precluded from exercising the option.

(c) Offerors are requested to check one of the following boxes:

- ☐ Contractor will provide domestic and overseas delivery.

I-FSS-125 REQUIREMENTS EXCEEDING THE MAXIMUM ORDER (SEP 1999)

If further price reductions are not offered, an order may still be placed, if the ordering office determines that it is appropriate.

52.204-7 CENTRAL CONTRACTOR REGISTRATION (OCT 2003)

- (a) Definitions. As used in this clause—

Central Contractor Registration (CCR) database means the primary Government repository for Contractor information required for the conduct of business with the Government.

Data Universal Numbering System (DUNS) number means the 9-digit number assigned by Dun and Bradstreet, Inc. (D&B) to identify unique business entities.

Data Universal Numbering System+4 (DUNS+4) number means the DUNS number assigned by D&B plus a 4-character suffix that may be assigned by a business concern. (D&B has no affiliation with this 4-character suffix.) This 4-character suffix may be assigned at the discretion of the business concern to establish additional CCR records for identifying alternative Electronic Funds Transfer (EFT) accounts (see the FAR at Subpart 32.11) for the same parent concern.

Registered in the CCR database means that—

- (1) The Contractor has entered all mandatory information, including the DUNS number or the DUNS+4 number, into the CCR database; and
 - (2) The Government has validated all mandatory data fields and has marked the record "Active".
- (b) (1) By submission of an offer, the offeror acknowledges the requirement that a prospective awardee shall be registered in the CCR database prior to award, during performance, and through final payment of any contract, basic agreement, basic ordering agreement, or blanket purchasing agreement resulting from this solicitation.
- (2) The offeror shall enter, in the block with its name and address on the cover page of its offer, the annotation "DUNS" or "DUNS+4" followed by the DUNS or DUNS+4 number that identifies the offeror's name and address exactly as stated in the offer. The DUNS number will be used by the Contracting Officer to verify that the offeror is registered in the CCR database.
- (c) If the offeror does not have a DUNS number, it should contact Dun and Bradstreet directly to obtain one.
- (1) An offeror may obtain a DUNS number—

- (i) If located within the United States, by calling Dun and Bradstreet at 1-866-705-5711 or via the Internet at <http://www.dnb.com>; or
 - (ii) If located outside the United States, by contacting the local Dun and Bradstreet office.
- (2) The offeror should be prepared to provide the following information:
 - (i) Company legal business.
 - (ii) Tradestyle, doing business, or other name by which your entity is commonly recognized.
 - (iii) Company Physical Street Address, City, State and Zip Code.
 - (iv) Company Mailing Address, City, State and Zip Code (if separate from physical).
 - (v) Company Telephone Number.

- (e) Processing time, which normally takes 48 hours, should be taken into consideration when registering. Offerors who are not registered should consider applying for registration immediately upon receipt of this solicitation.
- (f) The Contractor is responsible for the accuracy and completeness of the data within the CCR database, and for any liability resulting from the Government's reliance on inaccurate or incomplete data. To remain registered in the CCR database after the initial registration, the Contractor is required to review and update on an annual basis from the date of initial registration or subsequent updates its information in the CCR database to ensure it is current, accurate and complete. Updating information in the CCR does not alter the terms and conditions of this contract and is not a substitute for a properly executed contractual document.
- (g)
 - (1)
 - (i) If a Contractor has legally changed its business name, "doing business as" name, or division name (whichever is shown on the contract), or has transferred the assets used in performing the contract, but has not completed the necessary requirements regarding novation and change-of-name agreements in Subpart 42.12, the Contractor shall provide the responsible Contracting Officer a minimum of one business day's written notification of its intention to (A) change the name in the CCR database; (B) comply with the requirements of Subpart 42.12 of the FAR; and (C) agree in writing to the timeline and procedures specified by the responsible Contracting Officer. The Contractor must provide with the notification sufficient documentation to support the legally changed name.
 - (ii) If the Contractor fails to comply with the requirements of paragraph (g)(1)(i) of this clause, or fails to perform the agreement at paragraph (g)(1)(i)(C) of this clause, and, in the absence of a properly executed novation or change-of-name agreement, the CCR information that shows the Contractor to be other than the Contractor indicated in the contract will be considered to be incorrect information within the meaning of the "Suspension of Payment" paragraph of the electronic funds transfer (EFT) clause of this contract.

- (h) Offerors and Contractors may obtain information on registration and annual confirmation requirements via the internet at <http://www.ccr.gov> or by calling 1-888-227-2423, or 269-961-5757.

I-FSS-599 ELECTRONIC COMMERCE—FACNET (APR 1997)

(a) General Background.

The Federal Acquisition Streamlining Act (FASA) of 1994 establishes the Federal Acquisition Computer Network (FACNET) requiring the Government to evolve its acquisition process from one driven by paperwork into an expedited process based on electronic commerce/electronic data interchange (EC/EDI). EC/EDI means more than merely automating manual processes and eliminating paper transactions. It can and will help to move business processes (e.g., procurement, finance, logistics, etc.) into a fully electronic environment and fundamentally change the way organizations operate.

(b) Trading Partners and Value-Added Networks (VAN's).

Within the FACNET architecture, electronic documents (e.g., orders, invoices, etc.) are carried between the Federal Government's procuring office and contractors (now known as "trading partners"). These transactions are carried by commercial telecommunications companies called Value-Added Networks (VAN's). Federal Government transactions are provided only to those VAN's that have been certified by DOD and connected to FACNET.

EDI can be done using commercially available hardware, software, and telecommunications. The selection of a VAN is a business decision contractors must make. There are many different VAN's which provide a variety of electronic services and different pricing strategies. If your VAN only provides communications services, you may also need a software translation package.

(c) Registration Instructions.

DOD will require Contractors to register as trading partners to do business with the Government. This policy can be reviewed via the INTERNET at <http://www.defenselink.mil/acq/ebusiness/>.

To do EDI with the Government, Contractors must register as a trading partner. Contractors will provide regular business information, banking information, and EDI capabilities to all agencies in this single registration. A central repository of all trading partners, **called the Central Contractor Registration (CCR)**, has been developed. All Government procuring offices and other interested parties will have access to this central repository. The database is structured to identify the types of data elements which are public information and those which are confidential and not releasable.

To register, contractors must provide their Dun and Bradstreet (DUNS) number. The DUNS number is available by calling 1(800)333-0505. It is provided and maintained free of charge and only takes a few minutes to obtain. Contractors will need to provide their Tax Identification Number (TIN). The TIN is assigned by the Internal Revenue Service by calling 1(800)829-1040. Contractors will also be required to provide information about company bank or financial institution for electronic funds transfer (EFT).

Contractors may register through their Value Added Network (VAN) using an American National Standards Institute (ANSI) ASC X12 838 transaction set, called a "Trading Partner Profile." A transaction set is a standard format for moving electronic data. VAN's will be able to assist contractors with registration. A list of certified VAN's and software providers is available from the Department of Defense (DOD) by calling 1(800)EDI-3414, or from the world wide web at <http://www.defenselink.mil/acq/ebusiness/>. Contractors who wish to register without going through a VAN may do so via the INTERNET at <http://ccr.edi.disa.mil> or call the CCR hotline (toll-free) 888-227-2423.

(d) Implementation Conventions.

All EDI transactions must comply with the Federal Implementation Conventions (IC's). Many VAN's and software providers have already built the IC requirements into their products. If you need to see the IC's, they are available on a registry maintained by the National Institute of Standards and Technology (NIST). It is accessible via the INTERNET at

<http://snad.ncsl.nist.gov/dartg/edi/fededi.html>. IC's are available for common business documents such as Purchase Order, Price Sales Catalog, Invoice, Request for Quotes, etc.

(e) Additional Information.

GSA has additional information available for vendors who are interested in starting to use EC/EDI. Contact the Contracting Officer for a copy of the latest handbook. Several resources are available to vendors to assist in implementing EC/EDI; specific addresses are available in the handbook or from the Contracting Officer:

- (1) Electronic Commerce Resource Centers (ECRC's) are a network of U.S. Government-sponsored centers that provide EC/EDI training and support to the contractor community. They are found in over a dozen locations around the country.
- (2) Procurement Technical Assistance Centers (PTAC's) and Small Business Development Centers (SBDC's) provide management assistance to small business owners. Each state has several locations.
- (3) Most major US cities have an EDI user group of companies who meet periodically to share information on EDI-related subjects.

(f) GSA Advantage!TM.

- (1) **GSA Advantage!TM** will use this FACNET system to receive catalogs, invoices and text messages; and to send purchase orders, application advice, and functional acknowledgments. **GSA Advantage!TM** enables customers to:
 - (i) Perform database searches across all contracts by manufacturer; manufacturer's model/part number; vendor; and generic product categories.
 - (ii) Generate their own EDI delivery orders to contractors, generate EDI delivery orders from the Federal Supply Service to contractors, or download files to create their own delivery orders.
 - (iii) Use the Federal IMPAC VISA.
- (2) **GSA Advantage!TM** may be accessed via the GSA Home Page. The INTERNET address is: <http://www.gsa.gov>, or <http://www.fss.gsa.gov>.

 - (ii) Composing a price list in which only those items, terms, and conditions accepted by the Government are included, and which contain only net prices, based upon the commercial price list less discounts accepted by the Government. - (b) Contractors may request price increases to be effective on or after the first 12 months of the contract period providing all of the following conditions are met:

- (1) Increases resulting from a reissue or other modification of the Contractor's commercial catalog/pricelist that was used as the basis for the contract award.
 - (2) No more than three increases will be considered during each succeeding 12-month period of the contract. (For succeeding contract periods of less than 12 months, up to three increases will be considered subject to the other conditions of this subparagraph (b)).
 - (3) Increases are requested before the last 60 days of the contract period.
 - (4) At least 30 days elapse between requested increases.
- (c) In any contract period during which price increases will be considered, the aggregate of the increases during any 12-month period shall not exceed four (4) percent of the contract unit price in effect at the end of the preceding 12-month period. The Government reserves the right to raise the ceiling when market conditions during the contract period support such a change.
- (d) The following material shall be submitted with the request for a price increase:
- (1) A copy of the commercial catalog/pricelist showing the price increase and the effective date for commercial customers.
 - (2) Commercial Sales Practice format regarding the Contractor's commercial pricing practice relating to the reissued or modified catalog/pricelist, or a certification that no change has occurred in the data since completion of the initial negotiation or a subsequent submission.

- (f) The contract modification reflecting the price adjustment shall be signed by the Government and made effective upon receipt of notification from the Contractor that the new catalog/pricelist has been mailed to the addressees previously furnished by the Contracting Officer, provided that in no event shall such price adjustment be effective prior to the effective date of the commercial price increases. The increased contract prices shall apply to delivery orders issued to the Contractor on or after the effective date of the contract modification.

I-FSS-969 ECONOMIC PRICE ADJUSTMENT—FSS MULTIPLE AWARD SCHEDULE (JAN 2002)

Price adjustments include price increases and price decreases. Adjustments will be considered as follows:

- (a) Contractors shall submit price decreases anytime during the contract period in which they occur. Price decreases will be handled in accordance with the provisions of the Price Reduction Clause.
- (b) There are two types of economic price adjustments (EPAs) possible under the Multiple Award Schedules (MAS) program for contracts not based on commercial catalogs or price lists as described below. Price adjustments may be effective on or after the first 12 months of the contract period on the following basis:
 - (1) **Adjustments based on escalation rates negotiated prior to contract award.** Normally, when escalation rates are negotiated, they result in a fixed price for the term of the contract. No separate contract modification will be provided when

increases are based on negotiated escalation rates. Price increases will be effective on the 12-month anniversary date of the contract effective date, subject to paragraph (f), below.

- (2) **Adjustments based on an agreed-upon market indicator prior to award.** The market indicator, as used in this clause, means the originally released public index, public survey or other public, based market indicator. The market indicator shall be the originally released index, survey or market indicator, not seasonally adjusted, published by the [to be negotiated], and made available at [to be identified]. Any price adjustment shall be based on the percentage change in the designated (i.e. indicator identification and date) market indicator from the initial award to the latest available as of the anniversary date of the contract effective date, subject to paragraph (e), below. If the market indicator is discontinued or deemed no longer available or reliable by the Government, the Government and the Contractor will mutually agree to a substitute. The contract modification reflecting the price adjustment will be effective upon approval by the Contracting Officer, subject to paragraph (g), below. The adjusted prices shall apply to orders issued to the Contractor on or after the effective date of the contract modification.

- (c) Notwithstanding the two economic price adjustments discussed above, the Government recognizes the potential impact of unforeseeable major changes in market conditions. For those cases where such changes do occur, the contracting officer will review requests to make adjustments, subject to the Government's examination of industry-wide market conditions and the conditions in paragraph (d) and (e), below. If adjustments are accepted, the contract will be modified accordingly. The determination of whether or not extra-ordinary circumstances exist rests with the contracting officer. The determination of an appropriate mechanism of adjustment will be subject to negotiations.

- (d) Conditions of Price change requests under paragraphs b(2) and c above.:

- (1) No more than three increases will be considered during each succeeding 12-month period of the contract. (For succeeding contract periods of less than 12 months, up to three increases will be considered subject to the other conditions of subparagraph (b)).
- (2) Increases are requested before the last 60 days of the contract period, including options.
- (3) At least 30 days elapse between requested increases.
- (4) In any contract period during which price increases will be considered, the aggregate of the increases during any 12-month period shall not exceed four (4) percent the contract unit price in effect at the end of the preceding 12-month period. The Government reserves the right to raise the ceiling when market conditions during the contract period support such a change.

- (e) The following material shall be submitted with request for a price increase under paragraphs b(2) and c above:

- (1) A copy of the index, survey or pricing indicator showing the price increase and the effective date.
- (2) Commercial Sales Practice format, per contract clause 52.215-21 Alternate IV, demonstrating the relationship of the Contractor's commercial pricing practice to the adjusted pricing proposed or a certification that no change has occurred in the data since completion of the initial negotiation or a subsequent submission.
- (3) Any other documentation requested by the Contracting Officer to support the reasonableness of the price increase.

- (f) The Government reserves the right to exercise one of the following options:

- (1) Accept the Contractor's price increases as requested when all conditions of (b), (c), (d), and (e) of this clause are satisfied;
- (2) Negotiate more favorable prices when the total increase requested is not supported; or,
- (3) Decline the price increase when the request is not supported. The Contractor may remove the item(s) from contract involved pursuant to the Cancellation Clause of this contract.

- (g) Effective Date of Increases: No price increase shall be effective until the Government receives the electronic file updates pursuant to GSAR 552.243-72, Modifications (Multiple Award Schedule).
- (h) All MAS contracts remain subject to contract clauses GSAR 552.238-75, "Price Reductions"; and 552.215-72, "Price Adjustment - Failure to Provide Accurate Information." In the event the application of an economic price adjustment results in a price less favorable to the Government than the price relationship established during negotiation between the MAS price and the price to the designated customer, the Government will maintain the price relationship to the designated customer.

552.238-73 CANCELLATION (SEP 1999)

Either party may cancel this contract in whole or in part by providing written notice. The cancellation will take effect 30 calendar days after the other party receives the notice of cancellation. If the Contractor elects to cancel this contract, the Government will not reimburse the minimum guarantee.

552.238-75 PRICE REDUCTIONS (SEP 1999) (ALTERNATE I MAY 2003)

- (a) Before award of a contract, the Contracting Officer and the Offeror will agree upon (1) the customer (or category of customers) which will be the basis of award, and (2) the Government's price or discount relationship to the identified customer (or category of customers). This relationship shall be maintained throughout the contract period. Any change in the Contractor's commercial pricing or discount arrangement applicable to the identified customer (or category of customers) which disturbs this relationship shall constitute a price reduction.
- (b) During the contract period, the Contractor shall report to the Contracting Officer all price reductions to the customer (or category of customers) that was the basis of award. The Contractor's report shall include an explanation of the conditions under which the reductions were made.
- (c) (1) A price reduction shall apply to purchases under this contract if, after the date negotiations conclude, the Contractor—
 - (i) Revises the commercial catalog, pricelist, schedule or other document upon which contract award was predicated to reduce prices;
 - (ii) Grants more favorable discounts or terms and conditions than those contained in the commercial catalog, pricelist, schedule or other documents upon which contract award was predicated; or
 - (iii) Grants special discounts to the customer (or category of customers) that formed the basis of award, and the change disturbs the price/discount relationship of the Government to the customer (or category of customers) that was the basis of award.
- (2) The Contractor shall offer the price reduction to the eligible ordering activities with the same effective date, and for the same time period, as extended to the commercial customer (or category of customers).
- (d) There shall be no price reduction for sales—
 - (1) To commercial customers under firm, fixed-price definite quantity contracts with specified delivery in excess of the maximum order threshold specified in this contract;
 - (2) To eligible ordering activities under this contract; or
 - (3) Caused by an error in quotation or billing, provided adequate documentation is furnished by the Contractor to the Contracting Officer.
- (e) The Contractor may offer the Contracting Officer a voluntary Governmentwide price reduction at any time during the contract period.
- (f) The Contractor shall notify the Contracting Officer of any price reduction subject to this clause as soon as possible, but not later than 15 calendar days after its effective date.
- (g) The contract will be modified to reflect any price reduction which becomes applicable in accordance with this clause.

552.243-72 MODIFICATIONS (MULTIPLE AWARD SCHEDULE) (JUL 2000)

The Government reserves the right to reject any subsequent offer of the same item or a substantially equal item at a higher price during the same contract period, if the contracting officer finds the higher price to be unreasonable when compared with the deleted item.
 - (3) Price Reduction. The Contractor shall indicate whether the price reduction falls under the item (i), (ii), or (iii) of paragraph (c)(1) of the Price Reductions clause at 552.238-75. If the Price reduction falls under item (i), the Contractor shall submit a copy of the dated commercial price list. If the price reduction falls under item (ii) or (iii), the Contractor shall submit a copy of the applicable price list(s), bulletins or letters or customer agreements which outline the effective date, duration, terms and conditions of the price reduction.

- (d) Electronic File Updates. The Contractor shall update electronic file submissions to reflect all modifications. For additional items or SINs, the Contractor shall obtain the Contracting Officer's approval before transmitting changes. Contract modifications will not be made effective until the Government receives the electronic file updates. However, the Contractor shall notify the Contracting Officer as set forth in the Price Reductions clause at 552.238-75.
- (e) Amendments to Paper Federal Supply Schedule Price Lists.

The Contractor must distribute each quarterly cumulative supplement within 15 workdays from the last day of the calendar quarter.
- (2) At a minimum, the Contractor shall distribute each supplement to those ordering activities that previously received the basic document. In addition, the Contractor shall submit two copies of each supplement to the Contracting Officer and one copy to the FSS Schedule Information Center.
